

## GAINESVILLE GETS ANOTHER MEETING

P. O. S. of A. Will Hold State  
Camp Here Next Year.

A BIG CROWD WILL COME

This Patriotic Order is growing rapidly in Florida, and before another year will be one of the strongest of later orders in the state.

Gainesville may be termed the Convention City for the coming year with impunity. The Grand Lodge of Florida, Knights of Honor, the State Medical Association and the State Camp of the Patriotic Order Sons of America will all convene here, which means that upon three occasions at least the city will be the center of attraction of the state.

At the recent State Camp of the Patriotic Order Sons of America, held in St. Augustine, Gainesville was unanimously chosen as the place for holding the next State meeting, which will convene on the first Wednesday in March, 1906. Inasmuch as this patriotic order is growing rapidly throughout the entire state, it is safe to assert that within another year it will be one of the strongest of the later orders in Florida, and Gainesville will make big preparations to entertain the visitors upon that occasion.

In addition to being honored as the place for the next State Camp, Washington Camp No. 8 of this city is proud of the fact that one of its members, C. A. Harrod, was elected State conductor, a very important position in the order.

### THE CATHOLIC MISSION.

Meetings Attracting Great Deal of Interest—Free to Everybody.

The mission that is being held in St. Patrick's Catholic Church, East Main street N., for the special benefit of non-Catholics, is attracting a great deal of interest. Many questions have been asked, and the answers seem to have pleased the questioners.

The lectures on the teachings of the Catholic church have been listened to with great attention by a large audience.

This mission is to last until Sunday, closing on Sunday night at 7:30. The subject to be discussed on Saturday night will be "Marriage in the Catholic church." At 10 o'clock a. m. on Sunday the very interesting services of the Catholic church will be held and the ceremonies explained to the audience.

The question box is still at the door of the church and all are invited to bring up their objections to Catholic belief and teaching.

### The Richest Man in the World.

The richest man in the world cannot have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life." Sold by J. W. McCollum & Co.

## HAD CATARRH THIRTY YEARS.

Congressman Meekison Gives Praise to

Hon. David Meekison, Napoleon, Ohio, ex-member of Congress, Fifty-fifth District, writes:

"I have used several bottles of Peru-na and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

**ANOTHER SENSATIONAL CURE:** Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peru-na I am cured."—Jacob L. Davis.

If you do not derive prompt and satisfactory results from the use of Peru-na, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Medical Institute, St. Louis, Mo.

### FRIDAY'S PICNIC.

Union Sunday Schools Enjoyed Fine  
Outing at Alachua Sink.

The Union Sunday school picnic, which was held at Alachua Sink Friday, was a grand success in every way. Ticket Agent Goodwin of the Atlantic Coast Line sold 552 tickets, which required two special trains in addition to the regular service to transport the crowd.

The day was all that could be desired, beautiful and clear, and it is needless to add that the young folks, as well as many of the older ones, enjoyed the outing immensely.

There was an abundance of good things to eat, as well as barrels of lemonade which was dispensed by M. B. Saunders and Ferd Bayer free.

In all, the picnic was one of the most enjoyable of recent years, and picnickers returned a tired but happy set.

### Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at all drug stores; price 50c.

### A Fine Picture.

There is in the studio of Jas. F. Smith a life-size mezzotint portrait of a popular lady of this city, which is the most life-like and natural we have ever seen. This work of art is the result of Mr. Smith's ability. He is one of the finest artists and photographers in the country, and the people of Gainesville and vicinity show their appreciation by extending a liberal patronage.
